

Rua Bafatá, 6,6ºB 2845-050 Amora
Date of birth: 14-02-1968

Professional Experience

Web Design - Web Development
since 1995

2023 -2025

Harland & Poston Group - Lisbon, Portugal
Full Stack Web Developer

<https://www.harlandposton.com> - <https://investmentvisa.com>
<https://hpinvest.com> - <https://portugalhomes.com>

- Built a centralized CMS in Laravel 11 to propagate content across multiple websites.
- Developed investment and visa portals with chatbot wizards, property listings, and CRM (Dynamics 365) integration.
- Created 'Harland & Poston Office', a Windows-native invoice management Flutter app.
- Lead development of After Sales and Property Management system with nested repeatable forms.
- Designed a hybrid Blade+Vue Performance Appraisal Tool.
- Implemented a Kanban board with task CRUD, drag-drop, CKEditor, and attachments.
- Developed a Laravel social network with Stories, hashtags, group management, and role access
